

## PRIVATE PRACTICE FOCUSED MARKETING

*Brand Building • Social Media Management & Content Creation • Reputation Management •  
Google Adwords • Website Development & Maintenance • Public Relations & Crisis Management*

Adjuvant.Health's marketing team is a leader in the healthcare space for maximizing your brand and allowing practicing physicians to focus less on driving patients into the practice, and more on what is important to them, providing quality patient care. The Adjuvant.Health marketing team was formed by practicing pediatricians of Allied Physicians Group and marketing industry professionals to collaborate on strategies to enhance the brand, advertise initiatives in the offices, and educate patients and the community.
