

RECRUITMENT

Client only pays a placement fee if the candidate is successfully recruited, and commences employment

Recruiting for the right candidate can be an exhausting task that requires a lot of the practice owners time. This is valuable time that could be filled with caring for patients, so let the Adjuvant.Health recruitment team do the work! The Adjuvant.Health recruitment team is dedicated to delivering independent practices, of various sizes, the right candidates for open clinical and administrative positions within the practice. Our goal is find the candidate that will compliment the culture within the practice and deliver quality work in the position you are hiring for.
